# HAND-HELD BLOWER

ITALY-GERMANY-USA

our **power**, your **passion**

Star-shaped metal shredder blade. Mounted on the standard fan, the shredder blade is invaluable when the tool is used with the vacuum cleaner kit (optional).

'S' style scroll assembly: eliminates twisting force, guaranteeing enhanced comfort during prolonged use of the machine.

Telescopic tube that allows the machine to be stored in confined spaces, without the use of tools.

Vacuum cleaner kit (optional): comprising a side handgrip with integrated anti-shock system, a suction tube, an elbow tube and a collection bag, it transforms the blower into a vacuum cleaner for collecting leaves, grass and small pruning debris.
