H SERIES PETROL ENGINE CHAINSAW

Compact

ITALY-GERMANY-USA

our **power**, your **passion**

EasyOn starting system: reduces kickback during ignition.

Side chain tensioner for swift and practical adjustment of chain tension in any operating condition.

AlwaysOn switch: rapid engine stopping, and thanks to the auto reset function, always ready to restart.

Special guide bars with small nose radius: reduce the possibility of kickback and improve boring performance in high-precision jobs.

GSH-260 CHAINSAW
