

Prosint2EVO

50:1 - 2% | Special Oil2T

— SYNTHETIC LUBRICANT —

Engineered for Performance | Trusted by Professionals

Made in Italy 

WHY CHOOSE OUR PREMIUM 2T OIL?

Superior Engine Protection:

Minimizes wear and tear, even under extreme conditions.

Low Smoke Formula:

Cleaner burning, reduces carbon build-up.

Optimal Lubrication:

Ensures smoother engine operation and longer life.

Environment Friendly:

Meets emission standards and eco-regulations.

Better Fuel Efficiency:

engine runs more efficiently and may use slightly less fuel.

Tested & Approved:

Complies with international **API TC, JASO-FD / ISO-L-EGD** specifications.

RECOMMENDED MIXING RATIO:

20ml per 1L petrol (1:50) or as recommended by the engine manufacturer.

KEY APPLICATIONS

Ideal for: 

WHY IT MATTERS

Feature	Standard Oil	Prosint2Evo
Lubrication Quality	Medium	High
Smoke Emission	More Smoke	Less Smoke
Engine Cleanliness	Average	Superior
